Notice Pursuant to the National Cooperative Research and
Production Act of 1993 -- Naval Surface Technology &
Innovation Consortium

Notice is hereby given that, on June 23, 2022,
pursuant to Section 6(a) of the National Cooperative
Research and Production Act of 1993, 15 U.S.C. 4301 et seq.
("the Act"), Naval Surface Technology & Innovation
Consortium ("NSTIC") has filed written notifications
simultaneously with the Attorney General and the Federal
Trade Commission disclosing changes in its membership. The
notifications were filed for the purpose of extending the
Act's provisions limiting the recovery of antitrust
plaintiffs to actual damages under specified circumstances.
Specifically, Applied Energetics, Inc., Tucson, AZ; Aveox,
Inc., Simi Valley, CA; Disruptiv Technologies LLC,
Edgewater, MD; GLX Power Systems, Inc., Chagrin Falls, OH;
Indiana University, Bloomington, IN; Mid-America Applied
Technologies Corporation (MATCorp), Chagrin Falls, OH;
Premier Precision Machine dba Rand Precision Machining,
Falconer, NY; Southwest Dynamic Systems LLC, Albuquerque,
NM; Thomas & Skinner, Inc., Indianapolis, IN; and Vega
Technology Group LLC, North Canton, OH, have been added as
parties to this venture.

Also, Kopis Mobile LLC, Flowood, MS, has withdrawn as
a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and NSTIC intends to file additional written notifications disclosing all changes in membership.

On October 8, 2019, NSTIC filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the *Federal Register* pursuant to Section 6(b) of the Act on November 12, 2019 (84 FR 61071).

The last notification was filed with the Department on April 5, 2022. A notice was published in the *Federal Register* pursuant to Section 6(b) of the Act on May 13, 2022 (87 FR 29380).
